01	<p>All our products, which are essential for a leisurely afternoon in the garden can be found in the new Atlantic Collection. Their functional and modern design lets them be combined with any other Collection according to your creativity.</p> <p>The stackable sunbed provides best comfort with an adjustable backrest. The ergonomic design of the relax sunbed invites you to linger and enjoy. Both sunbeds with their deliberately high reclining surfaces combine high quality aluminum with proven durable sling. Both are very lightweight and can be moved easily with their convenient wheels during or after sunbathing. The German Design Council has already rewarded the innovative design of the Atlantic relax sunbed by awarding the ICONIC AWARDS 2016: Interior Innovation.</p> <p>Convenient storage space is provided by the small, highly functional Atlantic side tables. The sleek, modern design of the tables makes them a modern classic with the choice of table legs made of teak or powder coated aluminium and tabletops made of fm-laminat spezial or fm-laminat spezial with teak.</p>
