| 01 | <p>The success of fischer möbel began in 1984 with the foundation of the company in the Stuttgart region. Due to the strong relation to the nature, the constant effort evolved to develop outdoor furniture in perfect harmony with the surrounding landscape. The attachment to the home region coupled with Swabian inventive spirit determine the character of our family owned company and our products. With great ambition and passion, we strive to combine the long-standing quality with functionality and individualism.</p> <p>The fischer möbel collection includes everything that makes life outdoors so beautiful. Comfortable lounge collections invite to relax. Functional furniture for dining areas provide plenty of space and seating comfort for any occasion. In this way, fischer möbel designs habitats that meet the demand for high quality of living.</p> <p>Distinctive furniture, which are as individual as their later owners begin in the selection of the designers who are suitable to our company. In close cooperation specific forms results by expertise and know-how from the highest quality raw materials and materials whose charming emerges not only through innovative design. Numerous design awards prove our striving for higher standards.</p> <p>Through the extensive range, everyone will find the selected furniture whom quality is just as important as our employees. Along with our long-time and satisfied customers we continue our way. The recognition of our customers is our greatest motivation. Driven by that we create high quality lounges, dining furniture as well as high-dining and bar series.</p> |
