01	Suite – elegance for outdoors
02	
03	The product family of the Suite Collection includes not only the
04	versatile lounge furniture. The Suite armchairs, high dining and
05	bar chairs as well as various tables complement the collection
06	perfectly. These furniture pieces can be used perfectly in
07	different settings due to the fine tuning of the design and
08	materiality.
09	The elegant chair is made of a combination of anthracite powder
10	coated stainless steel and a textile band which is ideally suited
11	for outdoor use. It offers an exceptionally high level of comfort
12	and invites you to sit out and relax at the table. The fine tuning
13	in the design of the table style sets its own standards. Here, a
14	special harmony of elegance, filigree shape and solid
15	construction has been found. The tables are available in a
16	diverse range of sizes and finishes.
