01	The popular Cosmo series, as the name suggests, is a cosmopolitan and can be familiar in many different homes, countries and areas. This collection offers, in addition to the armchair and benches for the dining area, a lounge concept with lounge chair, stool, 2-seater as well as 3-seater sofa. The collection is rounded off with a comfortable lounge. The frame is made of aluminum which is elaborately braided with outdoor - bands. This forms a closed arm and backrest, which wraps around the sitter. The weatherproof furniture lightweight yet sturdy. The matching cushions provide relaxed seating comfort and are quick drying. Thanks to the large selection of high-quality outdoor - fabrics, the upholstery can be customized. Cosmo is offered in light and dark color scheme.
