01	The idea
02	A lounge chair that convinces in many respects. Excellent
03	seating comfort that invites you to dream. Suitable for a lounge
04	or as a solitaire. Kalos always cuts a fine figure. Take a seat
05	and feel the incomparable seating comfort.
06	
07	The Collection
08	Kalos is available as a lounge chair and stool. Armchairs for
09	the dining area are in preparation. A comfortable stool is
10	available to match the lounge chair. This provides optimum
11	comfort. The elegant footrest is made of powder-coated
12	stainless steel. The unique swivel base provides a 360° all-
13	round view.
14	A new feature in the outdoor area is the special upholstery in
15	the seat. Thanks to flexible straps and high-quality furniture
16	foam, a selectively soft yet firm seating comfort is achieved.
17	The back sections also offer a soft pillow-like comfort thanks to
18	the special upholstery.
19	The weather-resistant outdoor fabrics can safely remain
20	outdoors. You can choose from a variety of different textures
21	and designs.
