

Assembly instructions for Centro table 635-10

We are pleased that you have decided to buy a piece of furniture from the Centro Collection. You have acquired a high-quality product that will provide you with years of enjoyment and exceptional service.

Your table is delivered in a partially dismantled condition to protect it during shipment. The four table legs are assembled according to the steps described below.

Please use a pad for during assembly, so that it will not get damaged!

Step 1:

Threaded piece (3) must be inserted into the table leg (1) as described in the drawing.

Step 2:

Using Allen screws (7;8) and the washers (6), attach the corner reinforcement (5) with the chamfered side on the inner side of the table frame (2). Caution: Shortest screw (7) is used nearest to the table top.

Step 3:

Insert the connection part (4) and table leg (1) on the outside of the table frame (2) onto the screws and then tighten firmly with the supplied hexagon socket head key (9).

Repeat this procedure on the three other corners of the table.

From time to time, check these table screws and retighten if necessary.
