## International Design Award Baden-Württemberg Focus Open 2025

### **Gold for the Tennis Match Outdoor Chair**

Designed by Kurt Ranger and produced by Fischer Möbel, the Tennis Match outdoor chair impressed the jury and was awarded the Gold Prize, the highest distinction of this renowned competition.

The Idea:

A new, reduced design emerges from the iconic shapes of the award-winning Tennis Ergonomic classic – light, refined, and timeless.

The chair was unveiled at the Salone del Mobile 2025 in Milan:

Designer Kurt Ranger presented it alongside the original Tennis Ergonomic at the Fischer Möbel exhibition booth.

**“Once again, Fischer Möbel proves its leading role in the premium outdoor segment. Innovation, quality, craftsmanship, and a strong value proposition come together in perfect harmony within this family-run company.”**
