01	<p>The Cosmo series is as the name implies a true cosmopolitan and feels at home in many buildings, countries and areas. Since its debut he has already satisfied many supporters. That is why we have added a lounge concept to this successful collection including a lounge chair, 2-seater and 3-seater sofas. Preselected matching cushions are offered as shown. Another new arrival is the Cosmo armchair in a light colour consistent with Teso table.</p> <p>To complete the range, we offer side tables in the sizes of 90x45cm and 90x90cm. All the tables from the Rio, Suite and Teso collection as well as the Taku bistro tables can be combined with Cosmo armchairs in anthracite as desired. The white coloured armchairs match the Teso tables perfectly.</p>
