01	<p>Swing invites you to relax. A classic cantilever chair satisfying highest demands in design, materials and seating comfort. The chosen materials ensure value perception and durability. Swing is produced using high quality stainless steel combined with weatherproof outdoor sling, fine teak or permanently elastic fm-rope.</p> <p>Various tables with matching flat oval table legs complete the Swing Collection. In addition to our functional folding bistro tables, we offer extension tables with front slide system - all made of best stainless steel. Our front extension tables are available in different sizes, with robust and weather resistant tabletops made of different materials combined with a wide selection of tabletop colours. Designed, developed and produced in Germany.</p>
