The Tennis collection is a completely independent functional garden furniture concept that has proven itself over many years — a true fischer möbel classic. Besides many innovations, Tennis stands for function, form and the intelligent mix of materials and has received multiple awards. Due to the positive response sustained for the last 25 years, fischer möbel introduces the adjustable armchair for the new season in a modified version. In best colour combination, certified premium teak enters a liaison with the new sling "Cappuccino". Also new are the additional electro-polished fittings of this armchair, which give the stainless steel the best gloss. In conjunction with the matching footstool your garden becomes a cosy place. 13 becomes a cosy place. 14 completely independent functional garden that has proven itself over many years — a true fischer möbel classic.
