03	The <b>Wing</b> collection creates a fresh momentum for outdoor
04	furnishings with its armchair, sidechair, daybed, relax armchair
05	and footrest. Its name says it all: The slightly tilted armrests –
06	like wings – provide the optimum aesthetic design for the
07	armchairs. Subtle colours ensure a timeless elegance. This
08	outdoor furniture is a perfect combination of powdercoated
09	aluminum and tear- as well as weather resistant braided outdoor
10	fabric. The crafted wickerwork offers a comfortable upholstered
11	seat. The woven cords are filled with a wide, soft and
12	dimensionally stable plastic tape and leave nothing to be
13	desired on the material side.
